If said training or meeting either extends beyond or starts after 12:30 p.m., the employee shall receive the entire night shift off with no loss of regular pay.
- 15.6.2. If a shift employee is required to attend training or a meeting that starts at 8:00 a.m. and ends at or before 12:00 p.m. immediately following a scheduled night shift and the employee's hours of work are not rescheduled, then he shall receive the previous scheduled night shift off with no loss of regular pay. - 16.6.1. This shall not apply to any employee receiving more than twelve (12) hours prior notice of the required overtime. Call out pay shall not be construed to mean that the employee shall be paid for the same time twice.
- 16.7.
